## IMPORTANT GOVERNMENT ORDERS

## GENERAL SECRETARIAT

**Directs the Municipal Councils of Maddur, French-Rocks and Nagamangala to contribute one-third of the cost of the Maintenance of the Local Fund Dispensaries at these places.**

READ—

Letter No. B4. C. 285—44, dated 19th September 1945, from the President, District Board, Mandya, requesting that the Municipal Councils of French-Rocks, Maddur and Nagamangala may be asked to contribute a third of the cost of maintenance of the Local Fund Dispensaries at these places.

2. Correspondence ending with letter No. A5 C. 1294—48-49, dated 14th February 1949, from the Deputy Commissioner, Mandya District, forwarding copies of resolutions of the Maddur and French-Rocks Town Municipal Councils and the Nagamangala Minor Municipal Council, dated 31st January 1949, 30th April 1948 and 30th August 1947, respectively, in the matter.

ORDER No. L. 767-72—ML. 78-48-13, DATED BANGALORE,  
THE 20TH JULY 1949.

The District Board, Mandya, which was meeting the entire expenditure on account of the Local Fund Dispensaries located in Maddur, French-Rocks and Nagamangala Municipalities has represented that the Board's finances do not admit of its continuing to do so and that the local Municipal Councils may be directed to bear their quota equal to one-third of its expenditure as in other cases. The Municipal Councils concerned were addressed in this behalf. While the French-Rocks Town Municipal Council and the Nagamangala Minor Municipal Council have passed resolutions agreeing to meet a third share of the expenditure on account of the maintenance of the Local Fund Dispensaries at their places, the Town Municipal Council, Maddur, has agreed to do so only for the present and has requested that the charges in this behalf for the future may be waived. Government consider that there is no justification to exempt one Municipality from bearing its share of the expenditure on account of medical relief at the place according to Standing Orders. They accordingly direct that the Town Municipal Councils of Maddur and French-Rocks and the Minor Municipal Council, Nagamangala, do bear

their quota of expenditure for the maintenance of the dispensaries located in their areas as in the case of other Municipalities in the Mandya District. This order will have effect from 1949-50. The Deputy Commissioner, Mandya, is requested to see that necessary provision is made in the budgets of the Municipalities to meet the charges in question with effect from 1949-50.

**READ—**

Correspondence ending with letter No. 3586—C. 48, dated 28th April 1948, from the Collector, Civil Station, Bangalore, regarding the continuance or otherwise of the educational concessions existing in the Civil Station.

2. Letter No. E. 10278, dated 4th June 1948, from the Secretary to Government, Education Department, requesting the Director of Public Instruction to examine the proposal referred to above and submit his report in the matter.

3. Correspondence ending with letter No. D4. 8674-291—47-48, dated 22nd November 1948, from the Director of Public Instruction in the matter.

ORDER No. E. 775-7—EDN. 176-48-4, DATED BANGALORE,  
THE 19TH JULY 1949.

After the Civil and Military Station, Bangalore, was retroceded to the State, the Collector and District Magistrate, Civil and Military Station, submitted proposals in July 1947 for the continuance of the Educational Concessions that were till then being granted in that area and requested orders for instituting freeships and scholarships there as in other parts of the State.

The Director of Public Instruction who was requested to examine the proposals and submit a report, stated that many of the educational concessions in vogue in the Civil Station corresponded to these in force in our own educational institutions and that with a view to maintain the *status quo* and to afford educational facilities to the pupils studying in the various grades of schools in the Civil Station the educational concessions which were in force there may be continued as a tentative measure during the transition period and until our own rules, regulations and system of education are introduced in that area.

Having considered all aspects of the matter bearing on this topic, Government are pleased to introduce into the Civil Area with effect from 1949-50 the several concessions as indicated below:—

**A. Schools.**—(i) Regarding the Lower Elementary Schools (corresponding generally to the Primary Schools in the State) managed by the Municipal Commission, there are 35 of them in independent status (which are not attached either to a Higher Elementary School or to a High School). These will be taken over by the Government and run free, subject to the levy of the Education Cess by the Municipal Commission.

(ii) There will however be five other Lower Elementary Schools attached to the Municipal High School and the Municipal Higher Elementary Schools. As they are not independent institutions, the question of their control will be settled in consultation with the Municipal Commission. If the Municipal Commission agrees to retain them, Government will pay grants as in the case of other aided institutions in the State.

(iii) With reference to the Higher Elementary Schools (corresponding generally to the Middle Schools in the State) maintained by the Municipal Commission as well as the Lower Elementary, Higher Elementary and Middle Schools run by private bodies and individuals, the *status quo* will continue. The management will be given the option either to continue the levy of fees and receive grants under the provisions of the Grant-in-Aid Code for the Civil Station or to discontinue the levy of fees but to receive grants under the provisions of the Grant-in-Aid Code in force in the State.

(iv) The High Schools run by the Municipal Commission and otherwise will continue for the present on the same terms and conditions as in previous years.

**B. Classes.**—The educational concessions applicable to the Depressed Classes, Backward Classes, etc., will be as follows:—

(a) Depressed Classes:—In regard to Depressed Class pupils the existing practice will continue and compensation for the loss of a fee income will be paid to the institutions concerned as per the Grant-in-Aid Rules in force in the Civil Station.

(b) Children and Dependents of Military Personnel:—The concessions regarding tuition and examination fees that exist in the State will also apply to the Civil Station.

(c) In the case of Anglo-Indians, the existing concessions will be continued for three years and thereafter the matter will be reconsidered.

**C. Freeships and Scholarships.**—(i) *Free studentships and half freestudentships*:—The existing rules in the Civil Station will continue to apply till the financial implications of introducing the concessions as per State Rules are finally examined.

(ii) *Scholarships*:—The allotment that is made in the State Budget for the award of different kinds of scholarships will also be made available to the Civil Station as per Rules.

(iii) The scholarships that are being awarded to the Deaf and Dumb Technical or Industrial Schools, Cadets undergoing training in the King George's Royal Indian Military Colleges at Bangalore and Belgaum and Medical Institutions will continue for a period of three years only.

The Director of Public Instruction is requested to take necessary action to give effect to the above directions immediately.
